Subject : UGC Guidelines on Students' Entitlements

Dear Sir/Madam,

It has been observed that the students are generally unaware of their various entitlements and ways & means to get their grievances redressed. It was a long felt need to prepare a Charter of Students' Entitlements that list-out the various entitlements of the students along with other students related services and simplified procedure for redressal of grievances. Keeping this in view, the UGC has now prepared guidelines on Student's Entitlements. These Guidelines are available on the UGC website www.ugc.ac.in. You are requested to bring these guidelines to the notice of all students through circulars and also keeping these guidelines on the websites of your University and affiliated colleges. You are also requested to ensure the compliance of these guidelines by all the departments of your university as well as the colleges affiliated to your University.

Kindly acknowledge the receipt of this communication.

Yours sincerely.
